

Letters to You  
and  
Nobody at All

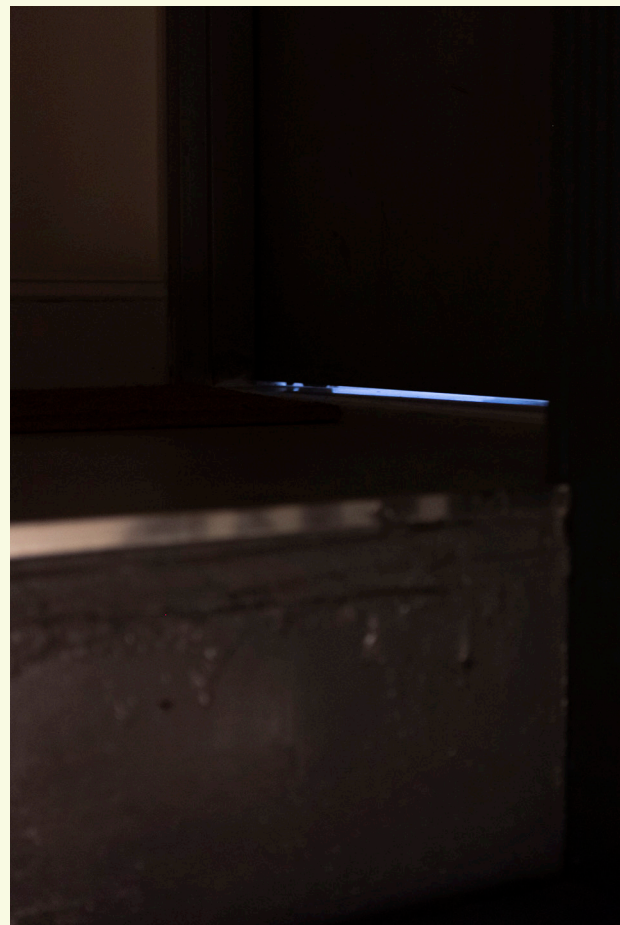

Chapter 1:

Tillium

They both knew the pain and  
bliss that was to encapsulate their lives

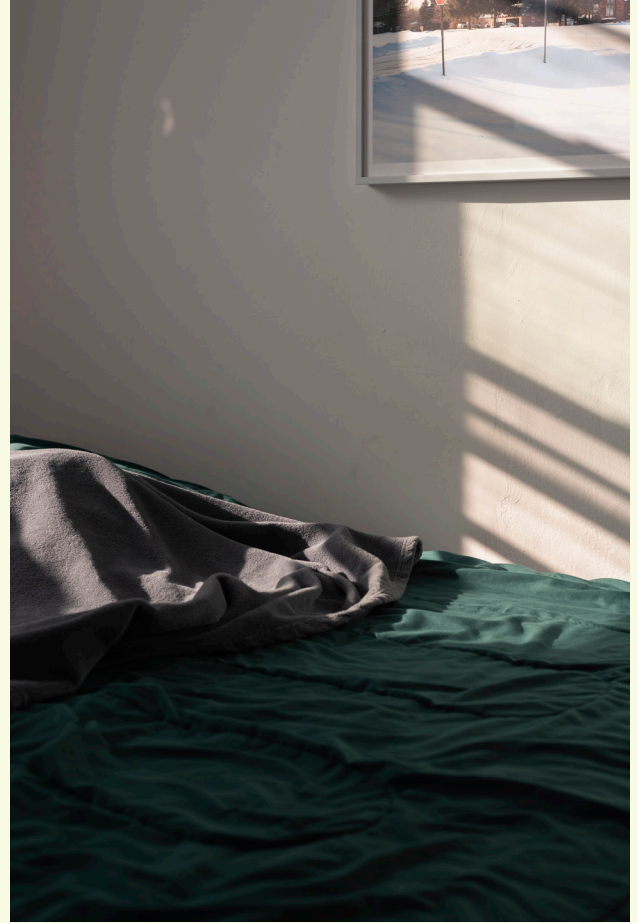

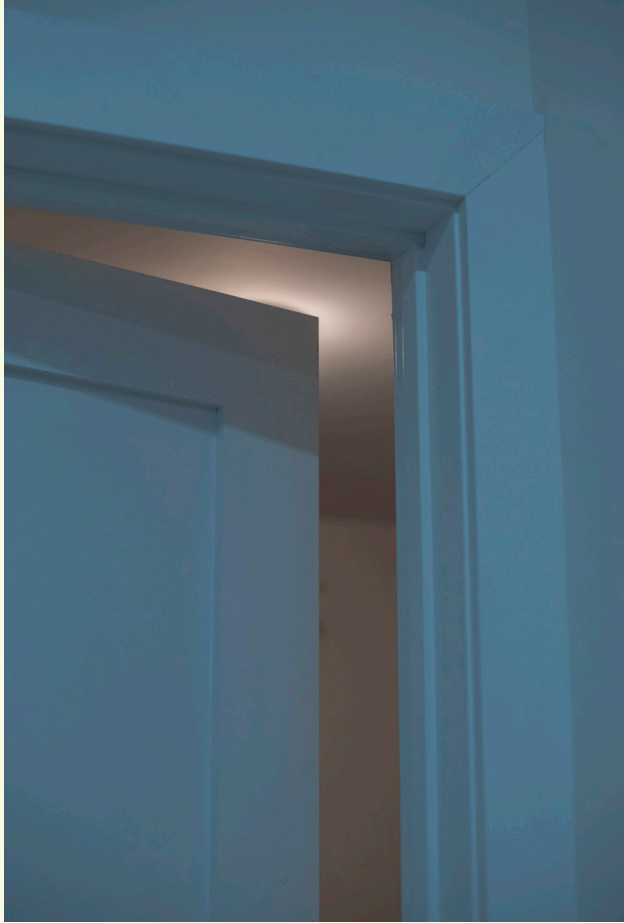

I see many flaws  
for them, I love you dearly  
need your full embrace

The last time they looked at each other as  
friends was the first time they saw each other as  
something more

Chapter 2:

For a Moment

Such a quiet one.  
tears fall with temperature;  
I catch them for you

He's been waiting on this day his whole life and didn't  
even know it

I saw you before.  
How do you still linger here?  
That blue stare, always

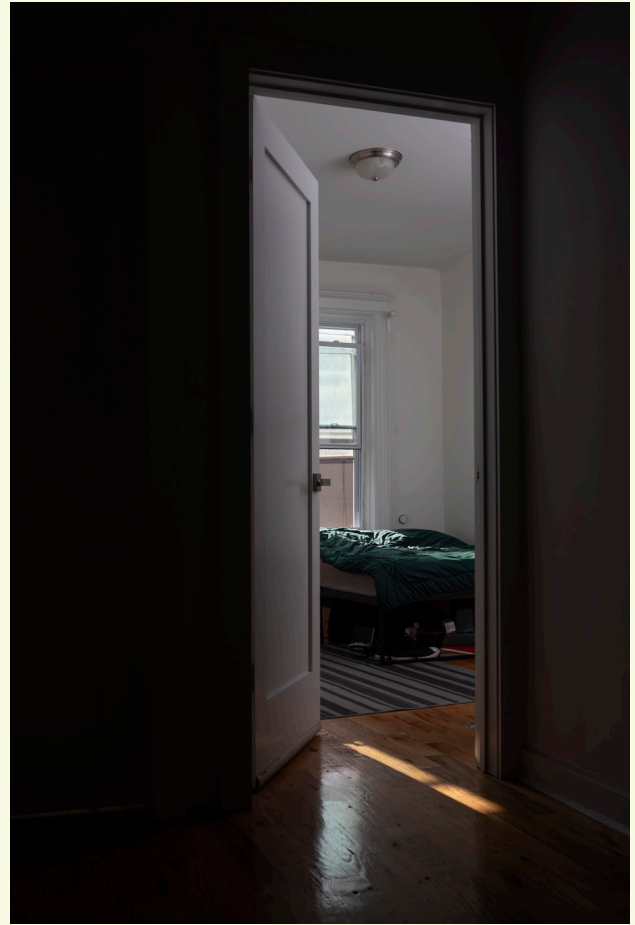

Chapter 3:

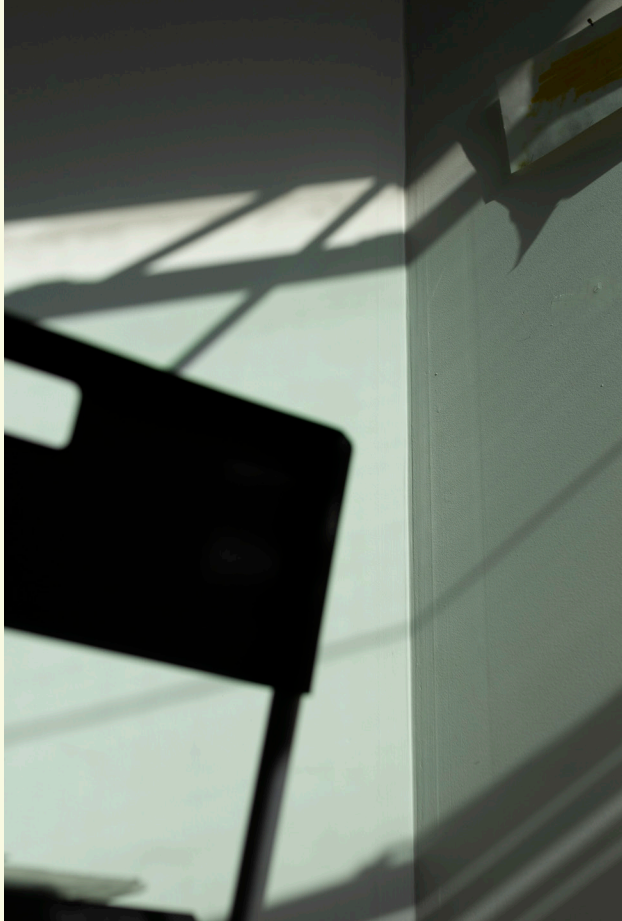

Maybe in Another Life

He doesn't listen, is he wrong for that?  
His limits draw closer, again, as he pushes back.

I looked back as I left and knew that the  
next day will be filled with memories of her  
and everything we'd been through

Their lives intersected so beautifully
